

## Mr Wilson's End Of Year Message

It is so hard to believe that we are at the end of another academic year. Last year I found myself saying that this had been the most exciting and fulfilling year of my career to date, one that was unlikely to be topped. Well, after what I have experienced this year, I stand corrected. What I have seen from staff and students this year has been simply astonishing. Staff have been unbelievable in their commitment to the work of the school. They have given an incredible amount not only to Year 11 in preparing them meticulously for their GCSE exams, but also to every other year group in the school. They have given up countless hours of their own time to improve not only the academic performance of our students, but to develop their wider character through extra-curricular activities. The students here, in turn, are playing a huge role in creating a truly remarkable school. Their courtesy, intellectual curiosity and drive is striking to all who visit the academy. After only two years, it has been amazing to see how, by developing these behaviours, students at The Hurlingham Academy are taking control of their futures. The journey is only just beginning, and I for one cannot wait to come back next year. Have a wonderful summer, and I'll see you all in September.

Mr L Wilson, Principal

## End Of Year Rank Order

So here it is, the big one! Having published rank orders throughout the year, this week revealed the long-awaited end of year rank orders to students. The publishing of the rank orders has been a key motivational tool for our students throughout the year, and it has been fantastic to see how they have responded to it, with many showing resilience and hard work in using their previous disappointments to climb up the order this time. Each year group has been competitive, and congratulations to those students who topped their year groups. For those who were a little disappointed, use it as motivation when you come back next year!

## Sports Day 2017

On Friday 14th July, we held our second annual Sports Day! The mood in school was one of anticipation and excitement during line-up in the morning as students prepared to make the journey across west London to the fantastic athletics track at Brunel University. Helped by our returning Year 11 students Lisa, Levvi, Lou-Anne, Maria, Tyreck and Bliss, Mr Pudney put together a brilliantly organised event with an action-packed schedule. We were also delighted to be joined by legendary GB sprinter and British 100m record holder Linford Christie, who addressed our fascinated students with some words of inspiration. After some brilliant performances (especially from Aequitas in the staff relay!) Caritas finished top of the points board, and gained a huge 500 points for their house in the overall competition! However, it was not enough to catch Unitas overall, who claimed victory in the house competition for the second year in a row. Bring them down next year!

### Final House Positions

1. **Unitas**
2. **Caritas**
3. **Aequitas**
4. **Veritas**
